

PEOPLE FROM all walks of life can experience VIOLENCE

This is everyone's business.

Across Wales, thousands of people experience violence against women.

It can happen to anyone, regardless of age, ethnicity, ability, sexuality, sex, carer responsibility, household income, gender identity, immigration status, ethnicity, geography or religion. We work to prevent violence and make sure that every person that needs support can access it.

HOW YOUR BUSINESS CAN HELP:

- Becoming an organisational supporter – in turn we can support you with workplace policies and training
- Donating gifts in kind
- Promoting us via your payroll giving scheme
- Making a financial donation
- Choosing us as your Charity of the Year
- Organising a workplace fundraising event
- Sponsoring an event
