

#FUTURE40

Ending violence against women in Wales.

In 2018, Welsh Women's Aid turned 40. To mark this, we've launched *#Future40*, a campaign that looks at how we can end violence against women in Wales over the next forty years - and we want to hear from you.

Please tell us your **top three priorities** for how Wales can end domestic abuse, sexual violence and all other forms of violence against women. We'll use your ideas to inform Welsh Government around what they can do to create a Wales free from abuse and fear.

Please join the conversation on Twitter using the hashtag **#Future40**
