About Welsh Women's Aid

Welsh Women's Aid is the umbrella organisation in Wales that supports and provides national representation for independent third sector violence against women, domestic abuse and sexual violence (VAWDASV) specialist services in Wales (comprising our membership of specialist services and members of the regional VAWDASV Specialist Services Providers Forums). These services deliver life-saving and life-changing support and preventative work in response to violence against women, including domestic abuse and sexual violence, as part of a network of UK provision.

As an umbrella organisation, our primary purpose is to prevent domestic abuse, sexual violence and all forms of violence against women and ensure high quality services for survivors that are needs-led, gender responsive and holistic. We collaborate nationally to integrate and improve community responses and practice in Wales; we provide advice, consultancy, support and training to deliver policy and service improvements across government, public, private and third sector services and in communities, for the benefit of survivors.

We also deliver the Wales National Quality Service Standards (NQSS), a national accreditation framework for domestic abuse specialist services in Wales (supported by the Welsh Government) as part of a UK suite of integrated accreditation systems and frameworks. (More information on the NQSS can be found here: <http://www.welshwomensaid.org.uk/what-we-do/our-members/standards/>)
